

The 3rd International Conference on Energy, Materials and Environment

ICEME-2024

May 06- 07, 2024

University of Djilali BOUNAAMA , Khemis Miliana, Algeria

CONFERENCE SCOPE

The 3rd international conference on Energy, Materials and Environment aims to highlight recent research works as well as technological progress and their contributions to energy security and preservation of the environment. University specialists, industrial and economic operators will be invited to debate the different advances and constraints recorded in the five topics of the conference. The opportunity will also be reserved for national and international participants to discuss possible cooperative and partnership relations in the field of development and research.

CONFERENCE TOPICS

- 01 • Energy Storage and Conversion
- 02 • Heat and Mass Transfer
- 03 • Hybrid materials
- 04 • Renewable Energy and Environment
- 05 • Rheology and Oils Regeneration

IMPORTANT DATES

Call for papers

January 10th, 2024

Abstract submission deadline

February 15th, 2024

Acceptance notification

March 05th, 2024

Full paper submission deadline

April 05th, 2024

PUBLICATION

The selected full text papers will be published into the "Algerian Journal of Renewable Energy and Sustainable Development" (AJRES). EISSN: 2710-849X.

SUBMISSION

Authors are invited to submit the abstract and the full text of the paper, in English via the conference website:

<https://iceme2024.sciencesconf.org/>

The paper must be presented according to the template shown on the website.
